Dear Ms. Crutcher:

Thank you for your letter of January 14, 1992, in which you ask that we issue a decision in regard to the request designated as I.D. No. 14541. Robert Patterson has informed me, however, that the records at issue in that request have been made available to the newspaper reporter that requested them. Therefore, your request for a decision from this office is moot. If the school district receives another request for the records, this office could then consider whether the records must be released to other requestors. *See generally* Open Records Decision No. 376 (1983).

Very truly yours,
